2012 Tomcat Tournament Moments : Poetry In Motion

Tournament Most Gentleman Like Player : Junior

Frame One
Junior see a player falling on his own, not wanting the player to get hurt, he starts his way, away from the player.

Frame Two
Junior is now able to let the player fall on the floor on his own, without any impediment.

Frame Three
Junior looks down to see if the player is OK, caring about the other players well being. He then needs to check on his goalie, who is like a Dolphin and is caught in a Tuna net,
