

Tomcats Look For Mission Statement and Fine One!

Took 39 Hours to Write and 3 consultants.

“The Windsor Tomcats are all about, heart, love, dedication, determination and having fun, we should never try to hurt someone, we should always want to have a cold beer with our opponent at the end of the game. Tomcats should Be Hard, Play Hard, Stay Hard and always enjoy a Cold Beer after Hockey and whenever they can, always try to get a new Windsor Tomcat Tee Shirt”

The President of the Windsor Tomcats, Stefan Jaworiwsky has been thinking about a 'Mission Statement' for the Windsor Tomcats for quite some time and then, after 39 hours of moving around some words, and consulting 3 Mission Statement Consultants, the Tomcats finally got their mission statement. "What I like about it, is that it really speaks to me. Look at it, "he continues, "It speaks all truths, to love, to have heart, to be dedicated and determined, to NEVER try to hurt anyone, to be hard, to play hard and to have a beer after with the guy you just played against and hell, if you can score a new Tomcat Tee, then why the hell not" a very happy Jaworiwsky had said.

"I too like it," indicated longtime Tomcat Board member, Louis Koenigsberger. "It lets everyone know where the Tomcats stand and what they stand for". A smiling Koenigsberger had said. What about, "Tomcats Forever, Tomcats Forever, Tomcats Forever, we'll falter never, up your poop shoot, in your vagina, nothing is finer, Tomcats Forever" an emotional Youngblood had asked. "That's the fight song kid", Lovie told him, and then reiterated, "That's the fight song".

....and there you have it.
 All the players that have had a chance to win the Stanley's Cup, quite a list of names and quite the tradition played for on the last February of each year, who will win it in 2013?
 Goalies are Captains and Bearcat, Falcon and Skippy have committed.
 May Day Marauders will try to repeat. Can a team be built to beat them?
 2013 will be another fun year for Ball Hockey!

Why the Tomcats take Pictures of the Full Team

Great Keep Sake For Years To Come

The St. Felix just wanted to show a few past years of Tomcats, "I wish I had taken pictures right from day one to the present, in the 90's I just was not thinking straight, well actually, how the hell did I know it was going to go for 23 years" Stefan Jaworiwsky had said.
 The Tomcats just one day started taking pictures. They took pictures of tournament teams, they got the idea of one big Tomcat team picture (Stevo actually thought that one up...saw it in a magazine or something) then they started taking individual pictures, first in the red jersey with a Blue Tomcat on the front, then the Dark Blue Jersey with the Tomcat Log on the front and then the black present day jersey. "It certainly would have been neat if we had taken pictures from day one", stated George Metulynsky but then stated, "But at least we have what we have, which really is pretty good, who else do you know, has what we have as the Windsor Tomcats?"

Pictures*Pictures*

WINDSOR TOMCATS

1 This is the oldest full team picture the Tomcats have, those little boys, are Mark Metulynsky and Brain Hann, both grown man now. You have Hurricane Hann and George Metulynsky as the goalies, and other others that you might know are a very young Hollywood Jaworiwsky, back row, left side, the Bundura and Junior with hair, Bulldog Meloche, middle row, May Day Lelyk and Steven Jaworiwsky in the front row. **9** Interesting, that four out of the f players in the front row are still playing, maybe Stevo should have put everyone in the front row? **9** **7**

In 2002, the Tomcats were starting to get more organized, picture wise, t-shirts every **2** Tomcat tournament, more players, 'it was quite the scene man'. One thing they did try **0** was to have everyone bring their Tomcat tee shirt for the picture from the year before, **0** "that never worked, guys forgot, . said, they didn't know where it was, it was not good". **2** Steven Jaworiwsky said and that is why they go with a new T-Shirt each year, just for the picture,

2 In 2004 a new t-shirt design was done, lots of detail, but it was a cat and guys just did not seem to like it, "Although a great deal of work went into designing the Tomcat, guys were not **0** into wearing a shirt with a cat on it, my mistake" **0** Steven Jaworiwsky said, and added "not until this past year, has a cat ever been put on **4** another t-shirt".

2012 a new 'Tomcat Coat of Arms' was put in, "I got the idea after seeing Doc's tattoo and thought, yeah, a Tomcat Coat of Arms, we've toyed with a Tomcat Crest before, **2** but a Coat of Arms, beautiful!, **0** it really turned out nice, I am very happy with it, I want to do something totally new and different next year, but **1** Brussher is saying, to use same logo on a different colour **2** shirt" . Michael Jaworiwsky, shirt designer indicated.

Year End Meeting: Advisory and SubCommittee to meet.

You have an idea, something you want to get off your chest, then let one of the committee members know, as the meeting is on May 1. Who are the committee members? Steven Jaworiwsky is the President, Michael Jaworiwsky is the Vice President. Paul Renaud is also a Vice President. On the Advisory committee you have Paul Renaud, Louis Koenigsberger and Paul Poisson. On the Sub Committee, you have Mike Edgar, Kevin Kuprowski, Andy Morgan and Chad Comartin .

So if you want to see a yearend summer BBQ, suggest it, two outdoor games, suggest it. Stiffer penalties for throwing the stick suggest it. What about starting the games on time? Should a fine system be implemented for that??? Suggest it.

New clothing items. New equipment, no mini tournaments, just cut off the players at two goalies, 4 guys on and four spares...everyone else go home! Suggest it.

Why do we pay \$40 at the start of the season? Ask. Why don't we have a golf shirt? Ask. Why don't we have new shorts? Ask. Why don't we play golf twice in the summer as Tomcats? Ask.

You ask and you will get a reply.

You have till May 1.

June 22 Golf

Book your day off now, so that you can participate on June 22 for Tomcat Golf, party after at Mike Jaworiwsky's.

Cost will to be:

\$50 for golf

\$10 for food

\$ 5 for beer

(at least that is the thinking, prices to change with out notice)

Sparky Does Outstanding Job Stevo Who ?

On March 20, 2012, Sparky Renaud, ran the Tomcats as both Stevo and Hollywood were not able to make it. He ran them succinctly, efficiently and with bravado. Great Job Spark...Tomcats are proud of you!

Committee would meet around a table, similar to the one shown above and discuss a variety of Tomcat Topics. To make sure your topic is discussed see a Committee member today. (At this particular meeting, Rocky and Lovie listen to Mez as he tries to explain why he was no fun at this year's tournament. No disciplinary action was taken)

"I do not take being on the Sub Committee lightly. I want what is best for the organization but ultimately I want what is best for you, the Tomcat.

A safer game, a fun game, a game, that you can't wait to go to, on Wednesday morning. I went to my very first meeting last year and was impressed at how organized and how serious the topics are all taken. If there is something, you wish tabled, please come see me, explain your situation and I will make sure it is addressed come May 1."

Lovie Edgar

"I enjoyed running the Tomcats, I did not know the power until I held that black binder for the very first time". Sparky Renaud
