JAWORIWSKY STAYS, HARRY BALLSONUE AND HEYWOOD JEWBLOWMEE LEAVE

Kapusta Kow Palace -AP- When push came to show it was Heywood and Harry who blinked and left and Stefan Jaworiwsky stayed. "I was gone, honest of God, I was going to bring everything over to my brothers on August 16, files, the money, all the St. Felix' all the pictures, everything, but then I had some nice comments from many Tomcats. That made me want to stay. Thanks to those and their very kind words." Jaworiwsky said from his cottage in Michigan. So the deal is this, everyone is still expected to do their blog, Sparky, Junior, Chevy, Spinner and Jingles have not, and until they do, Harry Ballsonue and Heywood Jewblowmee will not be permitted to submit anything. So once ALL bloggers full fill their tiny little obligation, you will see the normal Wednesday morning write up. In the mean time, Jaworiwsky is looking for input as to what question can be answered by each Tomcat, so it can appear in the TOMCAT OF THE WEEK FEATURE. Last year, it was naming your favourite Tomcat moment. Email Jaworiwsky with your suggestion.

TOMCATS ADD THREE FULL TIME TOMCATS; LaBAMBA, MATADOR & E.

Windsor -ap- Tomcats traded away Josh Goldstein last year to Ottawa and were down a man. This year, Andy Morgan will not be starting the season due to injury. Nick Lelyk is being returned to Sault Ste. Marie and will play once a month. Dave Crawford is part time - part time. Mike Edgar is to be away for the start of the season, with the twins. Dave Hann could possibly be lost in January to Hamilton. Tomcats awaiting word on Dan Mesman and his daughters hockey schedule. Therefore, Tomcats have asked LaBamba and the Matador to come out of Part Time status into full time which they both agreed, however, their full time status will be part time at past due to travel schedules and work commitments. Tomcats have signed unrestricted free agent, Ellery 'E' Oickle to a three year deal. "I am very happy to be Tomcat, I can't wait for September". Oickle had said.

An incredible opportunity has been made available to me, I have pinched myself 9 times since being told, this may just be the greatest day of my life. Thank you Tomcats."

Ellery 'E' Oickle

"At first when I got the call I was thinking they were letting me in cuz my brother in law is Dave Crawford and he is a franchise player, but then they told me, no, you are in because of you, well I just start balling my eyes out and signed on the dotted line".

Matty 'The Matador' Youssef

"We are ecstatic to be bringing these three in on a full time basis. LaBamba and the Matador are quality people and fantastic hockey players. I have not had a chance to meet Ellery yet, but everything I read about him in scouting reports and game film that I saw, says he will fit in"

Louis Koenigsberger,

"A call to the bigs cannot be turned down at this stage in my career, I accept becoming a full time Tomcat and thank the organization, Sunny Salaris, Juli and my agent for the opportunity".

Vince 'LaBamba' Vlamincik
