Hack, Whack = 6 PACK

Hacking at a goalie will cost you!

Kapusta Kow Palace –AP- Many years ago, the NFL came up with rules to protect the quarterback and now it will be the same for Tuesday night hockey .

"I just don't want to see the goalies get a broken finger over a guy who wants to so badly score a goal". Stefan Jaworiwsky had said. "We all have regular jobs to go to and for most of us, we need our hands and fingers to do that job, so if you hack a goalie, you will get fined a 6 pack. It's good for everyone, goalies get protected, we eliminate that nastiness around the net and maybe we score some more beer" Jaworiwsky concluded.

RULE; Mini Tournament Ref to assess penalty. Regular Tournament Ref to assess the penalty. On a regular Tuesday night, in this order, the following will be the ones to make the Soupy Salaris, Ken Cribley, Sunny Salaris, Lovie Edgar, Sparky Renaud and Dave Dzibela.

**"Goalie is not to get hacked, is Dave Hann Listening to this, is Killer? I may play more!"
D. "Bearcat' Meloche**

"I use a baseball glove, there is not a lot of protection on the top, nice to see the league stepping up and giving us some assistance"

R. "Razor' MacDonell

**"Nice to see us getting some more protection"
Falcon Menzel**
