

Safety Zone: Know It! Don't get Burned

Hate to see anyone get burned in the tournament with the safety zone, so we are going over it for the tournament and of course Mini tournament and just your regular Tuesday night games up to 7. If goalie smoothers it, he places it in safety zone, player can stay there without being challenged. Once the ball is moved out of the zone, then the ball is in play. BUT if you plan to stay behind the net and waste precious seconds, you have only 5 seconds to make the play with two minutes left in each period, the ref will yell, 'move the ball'. Once he yells that, you have two seconds, then the opposing team can rush the Safety Zone. Understood. It is a safe place for 5 seconds with less than 2 minutes left in a game, then it is only safe for two more seconds after ref yells, 'move the ball'.

West Side Windsor –AP- The first ever Tomcat Christmas party with the significant other was held on Friday November 30, with a super turnout of over 40 people. DJ Hollywood Hollywood, played Michael Buble during the dinner hour and then rocked the joint with some Old Rock that had La Bamba and some of the ladies dancing away. "It was great to have our wives meet the other wives of the Tomcats", indicated Organizer Sunny Salaris and then added, "I think everyone had a great time, and we will try to even make it bigger and better next year". Salaris Concluded.

Key Observations

Some key observations made, Denise Salaris loves to dance, Soupy's girl friend Natalie has the softest hands (Yes softer than Darek Kowalczykowski's hands!!!), Chico's wife, Dijana had never heard of the song by Meatloaf 'Paradise by the Dashboard Light'.

The food was great the company even better.

Big thanks to the Organizing Team of Sunny Salaris, Mykel Jaworiwsky and Chevy Szcwczuk, they all did a great job and the Tomcats thank you for your efforts.

As 'Tomcats Forever' rang out, it was noticed that Beep Oickle stood in the crowd, after the song ended and the laughter began, he just did not know what to do, his wife Carrie had that look to her, "That's it, you're never hanging out with these guys again", but yet he the Beepster himself had an amused look on his face...and said, "Too funny". And laughed.

Donna Comartin

Donna Comartin will be spearheading a group within the Tomcats, called the 'Wives of the Tomcats' and will be forming up some 'Specialty Parties' in the coming months. "I would like to do an 80's theme for next year's Christmas Party, she indicated. She is looking for additional wives to become involved in her committee so if you are interested, give her a shout

No Hideousness

And a compliment to all our Tomcat Ladies, the source who passed this along will remain anonymous, but he said, "Man, there is a lot of talent here tonight, no hideousness". So a compliment to the Tomcats who can play hockey and get hot babes to be their significant other, who does not want to be with a Windsor Tomcat. Tomcats Forever!

Stevo Appeals Suspension

Steven Jaworiwsky, pictured with his Agent, Ericka Wright
have appealed his 6 game suspension and were advised
on December 20, 2012, that his appeal will be held at
league offices on Wednesday January 9, 2013.

The league also announced, that if Steven Jaworiwsky's
sentence is upheld, they will penalize him for appealing and
will add on an additional three games (or one extra night).
"We will take our chances and present to the League that
this was an isolated incident and that Steve is a kind and
gentle man and that his actions on December 4
2012 were not indicative of his style and type of play."
Stated his agent and representative Ericka Wright.
