

Jaworiwsky's Days as President Numbered Speeches, Announcements, Soon To Be Over

Kapusta Kow Palace –AP- I have it on good authority that this year's Board of Directors year end meeting is on Tuesday May 20,2014 and that is the day that Stefan Jaworiwsky will step down as the President and either Michael Jaworiwsky, Michael Edgar or Chad Comartin will take over the operation.

"C'mon, stop it, my brother is not leaving the Tomcats as President, you guys are all crazy if you think he is, c'mon, give your head a shake folks" Michael Jaworiwsky had sated on March 11, 2014 and added, "My brother loves the Tomcats, it is his passion, he is not leaving as the President, you wait and see", the younger, handsomer and smarter Jaworiwsky had stated. But the President himself finds his brothers comments humouress but inaccurate. "I can understand why my broozzer is saying, but I really think a new person should take over and so in May and new President will be appointed. I will miss being called Mr. President but the new guy can make the speeches at the Christmas Parties and the Award Announcements at the tournament, my time is coming to a close". Jaworiwsky had said.

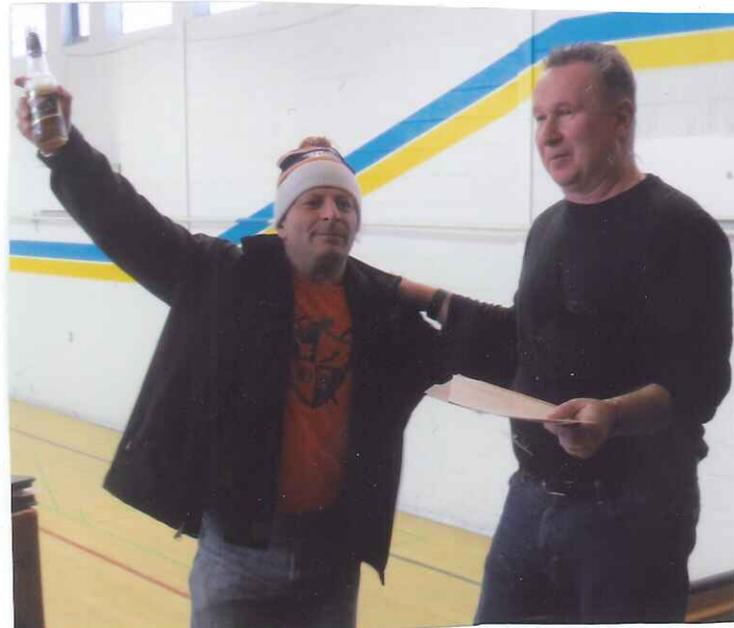

Stefan Jaworiwsky still plans to be a very active leader within the Tomcats and hopes to work closely along side with the new President, "I don't know what tasks I will still hold, that will need to be determined at the yearend meeting, but still plan to do the work with the Staff at the St. Felix and get those newsletters out and I can be the cash collector and bill payer for now, but all the rest will be in the hands of the new man". Jaworiwsky concluded.

The Tomcat Tournament has already be reassigned to Doc Brewin and he will be coordinating the tournament, the draft, along with the prizes and making the award speeches.

"If Stevo is really leaving, which by all accounts, it seems that he is, he will be missed", stated Mike Edgar, "But Stevo himself, will no doubt put his support behind a person that he knows will do a great job in continuing the great Tomcat Tradition". Edgar finished.

Stefo Jaworiwsky presents a prize to Sheep Dog, at the 2014 Tomcat Tournament, this will be the last year Stevo is the lead on the awards ceremony look to Doc Brewin to fill in as the Emcee next year.

Snowpants has a tranquil cheering moment, as Stevo presents 'Contributor' award to Snowpants, for his hard work in the Family Feud Game.

Out Door Game Set For April 29

That makes April 22 The Last Night Of Hockey

Lansberry park, Windsor –AP- You might recall that last year's outdoor game was on Tuesday April 23, 2013. But it was cold and rainy. "I hate tailgating in the rain" stated the Matador, so this year, the Tomcats consulted St. Felix (Patron Saint of Floor Hockey) and he told them, 'play another week at the Kapusta Kow and have the out door game on April 29, the weather will be beautiful and the beer will taste better'.

So that is what is being done, one extra week of Tomcat hockey at the Kapusta Kow and then April 29, the out door game.

Changes...Aaron 'Chico' White and Andy 'Doc' Brewin will be taking over from Bulldog Meloche in organizing the event. The cost for everyone will be \$10.

Chevy Szewczuk 's wife's company, 'Amy's Helping Hands' is sponsoring the event this year. "We sincerely thanks Amy and Chevy for doing this for us, we look forward to another fantastic time at the outdoor game", indicated Chico White.

Non Tomcat members will be allowed to play and Chico White and Doc Brewin will be calculating how many 'outside' players they will need.

March Break, Breaks in a Couple of Rookies

Spanky Meeke and Steve Jaworivsky got to see Sons Play

Kapustat Kow Palace -AP- Billy Meeke and Steve Jaworivsky got to see their sons play some Tomcat Hockey on March 11, 2014. It was a first for the both of them. "I use to see Paul Dostie bring his boys out to play and that was fun to watch, a father playing out there with his sons, but this was very special to me". indicated an almost sobbing Billy Meeke and added, "The boy did ok out there he notched a few goals and did not embarrass himself, I guess he gets his hockey talent, from his mom's side of the family", Spanky said with a chuckle.

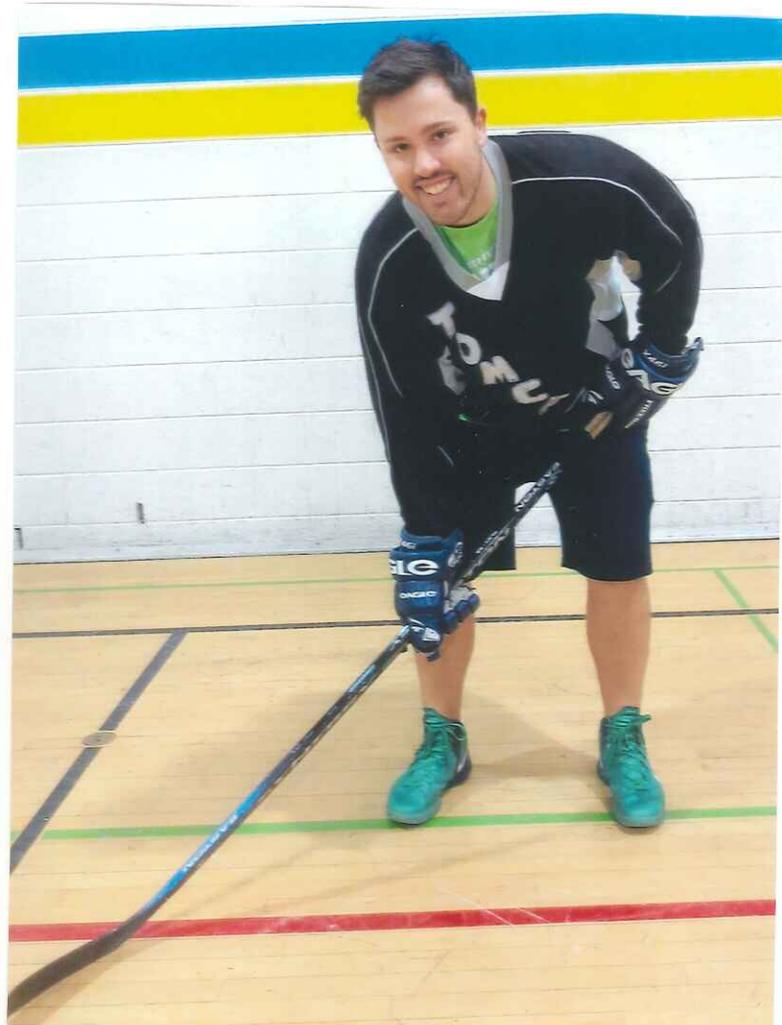

"I loved being out there with my dad, it was nice that I got to be on his team:", stated a beaming Noah 'Big Ned' Jaworivsky. When asked about the goal he scored the young Jaworivsky said, "Well, my dad set me up on a number of occasions and I didn't score, it was nice to at least get a goal in a scramble in front of the net, he was on the floor for that one, so it helped with his plus minus..."The Younger Jaworivsky stated laughing.

Jaworivsky hopes to do the same next year, with Sunny Salaris's son, Nate.."He will only be 15 next year, but yeah it would be nice to get him out there during March break", stated an excited Sunny Salaris.

"Fantastic Night, Fantastic, I've been living the Tomcat Hockey word since I can remember, to finally play at the Kapusta Kow Palace, is indeed a dream come true".

Noah 'Blg Ned' Jaworivsky

"I know of this Windsor Tomcats as I have seen some of the clothing and such, and when my dad said, 'hey you want to play', I jumped at the opportunity, and it was sure nice to be on the same team as my dad"

Ian 'Eonee' Meeke

Jaworiwsky Donates Snow Shovel

Kapusta Kow Palace -AP- In probably one of his last donations as the President of the Tomcat, Stefan E. Jaworiwsky, President of the Windsor Tomcats Donated a snow shovel to the Tomcats.

"It is a great gesture, by a fantastic leader and friend" indicated Head Coach of the Windsor Tomcat Dan Connelly and added, "It is my understanding that the shovel has been in his family for many many years and that his father and grandmother had brought it to Canada in 1949 when they first came to Canada" Connelly concluded. The shovel will be kept in the Tomcat room and is to be used to scrape off the snow on the fire escape. "It makes sense to me, keep it inside. then shovel, from the top down, and this way we are not bringing in a ton of snow in to the Kapusta Kow Palace", indicated Chico White. Mykel Jaworiwsky, disbeliever that his older brother will relinquish his Presidency stated, 'he bought the shovel a few years ago at Canadian Tire and he is giving the shovel, so he can still be the first guy in the hall, to open the hall and shovel the snow, that is what a President does, he is not giving up his Presidency" concluded the younger, smarter, funnier and handsomer Jaworiwsky.

A snow shovel, is a great idea, it gets rid of some of the snow build up on the fire escape. Tomcats have provided snow shovels in the past, but left it outside and they go missing. This one will remain in the Tomcat room and can be used at the drop of a snowflake.

Where Are They Now?

Coming to a Future St. Felix a story by Nick 'May Day' Lelyk and where are the famous Buckos of Belle River..and what they are doing now

Barry 'Bucko' Morris, a onetime main stay of the Windsor Tomcats is now assigned as a Community Representative of the Windsor Tomcats...he along with Marty 'Fuzzy' Thibert and Crispy Girard all hold that title.
