**Kapusta Kow Palace –AP-** All four teams entering the Stanely's Cup, on Saturday February 28, 2015 look good, so good, that you wonder why the games even have to be played, that one team will take it all no matter what and you have all four teams thinking that! But there will only be one winner, get ready for a show down at the Kapusta Kow.

**REMINDER :** Tournament cost is \$20. Please pay your Captain. All beer on stage will be provided by the Tomcats. Captains of each individual team are reminded that they are to purchase a round for their team back at Purples.

\$10 might be collected by each Captain for your own individual team tee shirt. Zaba will be collecting \$10 for pizza after at Purples.

**REMINDER:** Tournament is for fun.....play to win but don't play to hurt anyone...it's the FULL TEAM PICTURE is what the tournament is about and of course having a beer after on stage!

## So does Picking First Matter

In the last 9 years there have been 9 Stanley's Cup Champions, but where did they pick and how important was having first pick overall. Well here is the breakdown. Last year Jingles Jets had first pick and they ended up winning. The year before that, the May Day Marauders had first pick and they ended up winning. The year before that, the Chevy Sharks had 2<sup>nd</sup> pick overall and they won..... here is the breakdown:

Jingel's Jets had first pick

May Day Marauders had first pick

Chevy Sharks had 2<sup>nd</sup> pick

Crispy's Belarus had 3<sup>rd</sup> pick

Cribzie's War Pigs had 4<sup>th</sup> pick

Hollywood Polka Kings had 3<sup>rd</sup> pick

Rocky Chaos had 3<sup>rd</sup> pick

So last two years, first pick won it all. Let's see what happens this year.

## Tomcats Are Not Reading the St. Felix Or Blogs

### Stevo not Miffed...he just keeps Plugging along, what a little Trooper!

**Windsor –AP-** If you look at the issue number on this St. Felix, you will see that it is 204, pretty Much Steven Jaworiwsky has been involved in 98% of all the issues, (all grammar and spelling mistakes included) and he is pretty sure readership is down, but he still puts them out religiously but when is enough....Enough? "Right now, I do them automatically, I don't know who reads them.....sure it's a bit disappointing when I ask a fellow Tomcat

'did you see the latest St. Felix' and the Tomcat shakes his head no, or if I ask did you read Harry Ballsonue's blog? and I get the same response, 'ahhh...no....' ...does it make you feel like why am I writing these, why am I doing these...it sure does." Steven Jaworiwsky says.

Jaworiwsky figures he still has a few of them in him, "I may just stop at issue 207 and say no more, not sure if anyone will really miss it", a smiling Jaworiwsky says but adds, "But then I will be thinking, well I have some good photos to put in, and maybe it cheers up a guy if he sees his quote and name in print and so I will do another one...and then another one".

So if you have nothing better to do, grab a lap top and go to the washroom and read the God Damn St. Felix!

# Tomcat Golf Tournament Just around The Corner

Snowpants has not set date yet, but will soon enough so that plans can be made  
**Essex County –AP-** The Executive of the Windsor Tomcats Golf Committee is yet to set the date for this year tournament and the St. Felix has learned that a new venue is being looked at. “Last year, the price at Seven Lakes was pricey some thought. We are exploring all options at this time. We are consider a beautiful course such as Sutton Creek and we are even giving considerations to Belleview. “Indicated Victor Ferranti, Golf Committee Chair. Belleview offers, ‘if you bring 8 guys, it is\$27.50 a guy’. That is a far cry from \$59. at Seven Lakes.

“Hey, golf is golf, I would go to Belleview in a heartbeat, it’s my home course. It’s getting all the guys together that counts”. Indicated Nick Lelyk.

If a course like Sutton Creek is selected, then the awards ceremony could be held at the bar at the course.

The Golf Committee would like to hear from you! What do you think. Please let Victor Ferranti know.

# So You Want To Be A Full Time Tomcat.....

## Stand In Line!

**Kapusta Kow Palace –AP-** Aaron ‘Chico’ White was the last Tomcat to be made full time, after that came a few others, Such as Nick Wilson, Jamie Lamb, James Hollohazy, Joe Antoun, Chris Hicks and John Daskalakis, you know them as Flintstone, Sheep Dog, Kamikaze, Tunzie, Hicksee and Shack. All great guys, that is not the problem, the problem is, there is no room for them as full timers. “I know Stevie tries to get the guys in as much as he can much to the chagrin of others, but he wants them to belong and he wants everyone to have fun”, indicated Louis Koenigsberger.

There is a pecking order established for part timers, if only two can be called up on a Tuesday night, who gets the call, right? Well, here is the order, and the first three are done simply by age, (younger to older) Tunzie, Kamikaze then Sheep Dog. Then you have Flintstone, then Hicksee and then Shack. “It’s based on who got called out when”, states Vice President, Chad Comartin. Sheep Dog, Kamikaze and Tunzie all got called out on the same night....Flintstone has been around the longest, but his status was a full timer with the Skipjacks, and he was never considered Tuesday night player and more of a February tournament fill in, but now, he has been granted part time status. Then came Hicksee and then Shack. Shack could get called up ahead of some of the others, as he also has the goaltending skill and sometimes goaltenders are needed.

“I just love coming out and I will come out if they ask. I will play goalie, I will play out, I just love it, hey...what there not to love” indicates John ‘Shack’ Daskalakis, and adds, “I even get a cool Tomcat nickname, Shack! How cool is that?” He concludes.

Do you really want to be a full time Tomcat and hang out with these guys? “I know I do” states Kamikaze, and adds, “the Tomcats may just be the Single best thing that ever Happened to me in my life”

Do these guys look like they are having fun? From Left to right, Chico, Lovie, Sheep Dog, The Matador, Soupy and Tunzie.
