

## Who Are These Windsor Tomcats

# 2 Louis 'The Rake' Koenigsberger

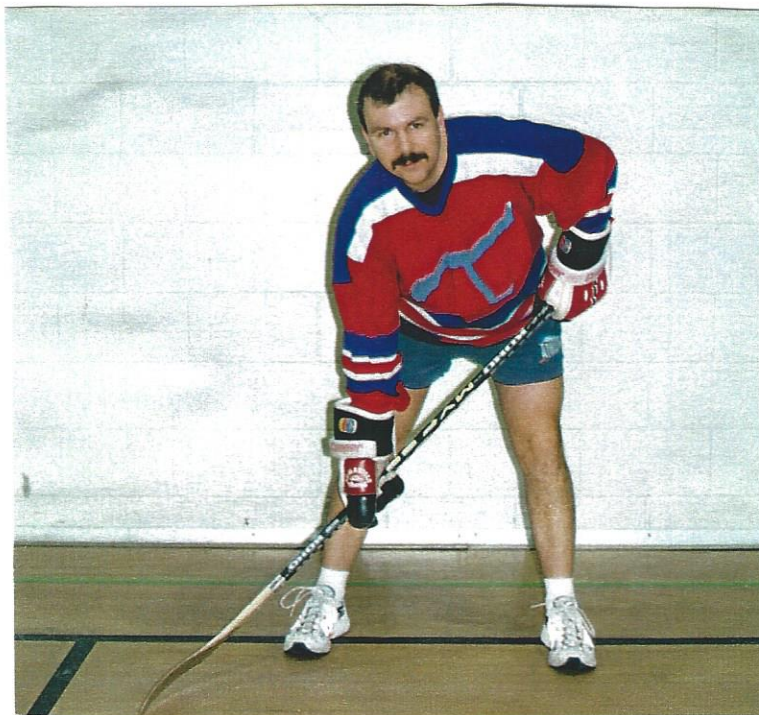

# 16 Paul 'Junior' Poisson

Memories like these can't be purchased on eBay. Stevo makes everyone pose for pictures. He makes Mini Tournament Teams Pose for pictures....what if he never did, then you might of seen hair on Junior, Sparky or the Rake.

# Tomcat Golf Tournament...coming

## Snowpants does terrific job organizing the event

The golf outing is just one more excuse to see the boys. When the Tomcats all had young children, there would be a summer BBQ and Pool party (mostly to check out the wives in their bathing suits), but when the kids got older and did not want to go to their parents stupid hockey party, then the day got changed to a golf tournament. Always played on a Friday so that time is not taken away from the family on a Saturday.
