Jaworiwsky in his pool this year and the temperature of the water is only 58 degrees....is that normal?

Jaworiwsky only has one year left on his contract. A two year Deal was agreed to by Jaworiwsky and the Board of Directors in May of 2014. It seems to the St. Felix, that the sooner Rocky Comartin Takes over for Jaworiwsky, the better it will be for everyone Involved. Instead of “5 more years, 5 more years”, the chant should be “no more years, no more years”.

Jaworiwsky, makes Lady Bird, Roxy and Chad Comartin the Vice President pose for pictures Like this one....is that normal?

"He has too many rules, maybe that is where the problem is? He is losing it, because no one is listening to him yell "Play the Ball" "

M. Jaworiwsky

"I know he hates it when no one reads the blogs or the St. Felix. He puts all the effort and energy into it, and guys just go on web site here and there. That drives him nuts"

Tomcats Looking At Un-restricted Free Agent

Windsor Ontario Canada -AP- The Windsor Tomcats are looking to add depth on Defense due to the uncertainty of Louis Konegisberger and his health issues, Tomcats not sure how much playing time the Rake will offer the Tomcats this season.

To fill the number 2 defenseman's minutes will be tough and so the Tomcats are looking at a 'show case' for unrestricted free agent Paul Scott. Scott had attended the University of Alabama on a hockey scholarship and has played for the Florida Toucans, the Montreal Musk-Ox and recently for the Dallas Gunslingers. Scott is the brother in law of Legendary Tomcat Vinnie 'La Bamba' Vlaminck. " I married one twin and Paul married the other, It would be nice to have him in the fold, but I don't want to tamper, right now he is still the property of the Gunslingers". Vlaminck had stated from his cottage in the Muskoka's. Scott has been kind enough to donate prizes to the Tomcat golf tournaments in years past.

"We will be kicking the tires of several unrestricted free agents, hell I'm even trying to talk Crispy into coming back"

Windsor Ontario Canada -Reuters-
You see Bob Skoretz at the Tomcat Christmas Party. You see Garnet Albert at the Golf tournament and you see Paul Poisson at the Stanley's Cup tournament. Is Junior Poisson now out of the Tomcat picture?

"I am going to let it go one more year, and then at the end of this year, if your attendance is less than 50% you will be placed on as a part time and only called up when needed". Steven Jaworiwsky had said. The thinking behind this is that the Tomcats have a number of part time players that would like to take a full time spot. If the Tomcats are holding full time spots for the likes of Poisson, Crawford and others who do not come out, but are considered full time, then changes need to be made.

"I think I am the next to be made full time, if this so called Junior guy is not coming out, and if Crow is not coming out, why should I not have his spot"?

Asked James Hollohazy

Has Paul Poisson Joined the Likes of Bobby Skoretz and Garnet Albert ?

5 originals, Skoretz, Jaworiwsky, Albert, Metulynsky and Poisson, out of these five only Metulynsky and Jaworiwsky come out.

Tomcats are looking at changing that. If your attendance is less than 50 percent, you will be relegated to part time at the end of the 2015-16 season. Part time will mean, you will only be called to play if needed.

Tomcats will send emails to players (who are considered full time Tomcats) but have a poor attendance last couple of years. They will be asked their intentions for the upcoming season and then their attendance will be monitored. If they reach or are near the 50 % mark they will be sent an email reminder. They will not be sent continuous reminders. If at the end of the year their percentage is less than 50 percent, they will be relegated to Part Time status.
