## Beer List Update..

### Changes, Changes, Changes

For the 2015-16 Season, the Part Time Players will be assigned a beer night. "It makes total sense" say Beer List creator Soupy Salaris, and continues, "The part timer's like Kamikaze, Sheep Dog, Green Gieant, Tunzie, all of them bring beer anyway, they know how it works, they are not stupid men", Soupy stated and Contiuned, "So why not include them, so they will be asked to contribute a 12-pack sometime during the year". Salaris concluded. You must look at the positive, if you are bringing beer that night, you get to play!

"Well yeah, it makes sense, they drink beer when they come, and they bring beer anyway, so this just gives them a date to bring their beer and they get to play, so that is a good thing for them"

### Breaking News Flash....

To show support for their country Soupy Salaris, Sunny Salaris and Shack Daskalakis have asked that they not be paid in American funds by the Tomcats, they have asked to be paid in Drachma's.

"We know, we know, Greece has gone to the Euro, but to show our support, the three of us are asking to be paid in Drachma's this year" stated Soupy Salaris.

### Start of The Season Gift

When you pay your 40 dollars you get your first night of hockey and you get a start of the season gift. Sure Tomcats could just collect 30 bucks and give no gift, but what fun would that be? Does not everyone want a new Tomcat Swag item? PartTimers who do not pay the \$40 will be ask to pay ten dollars for the item if they are interested in purchasing it.

**Part Timers, you will want to pay the 10 bucks!!!**

### May Day Lelyk Returns

**Belle River Ontario -AP-** After a short return last year, Nick 'May Day' Lelyk looks at making a full time return to the Tomcats for the 2015-16 season.

"I am looking for the start of the season so I can show the Tomcats I am here to stay and play and to thank them for letting me come back and believing in me" Lelyk had indicated .

Lelyk who has considered a PGA Career as a player and as a caddy returns with something to prove.

"I am not a fast as I use to be", as smiling Lelyk says, "But I can still make that first pass out and I still have a shot and I don't wind up and slap shot it like some of these other mother fuckers" Lelyk Conculed.

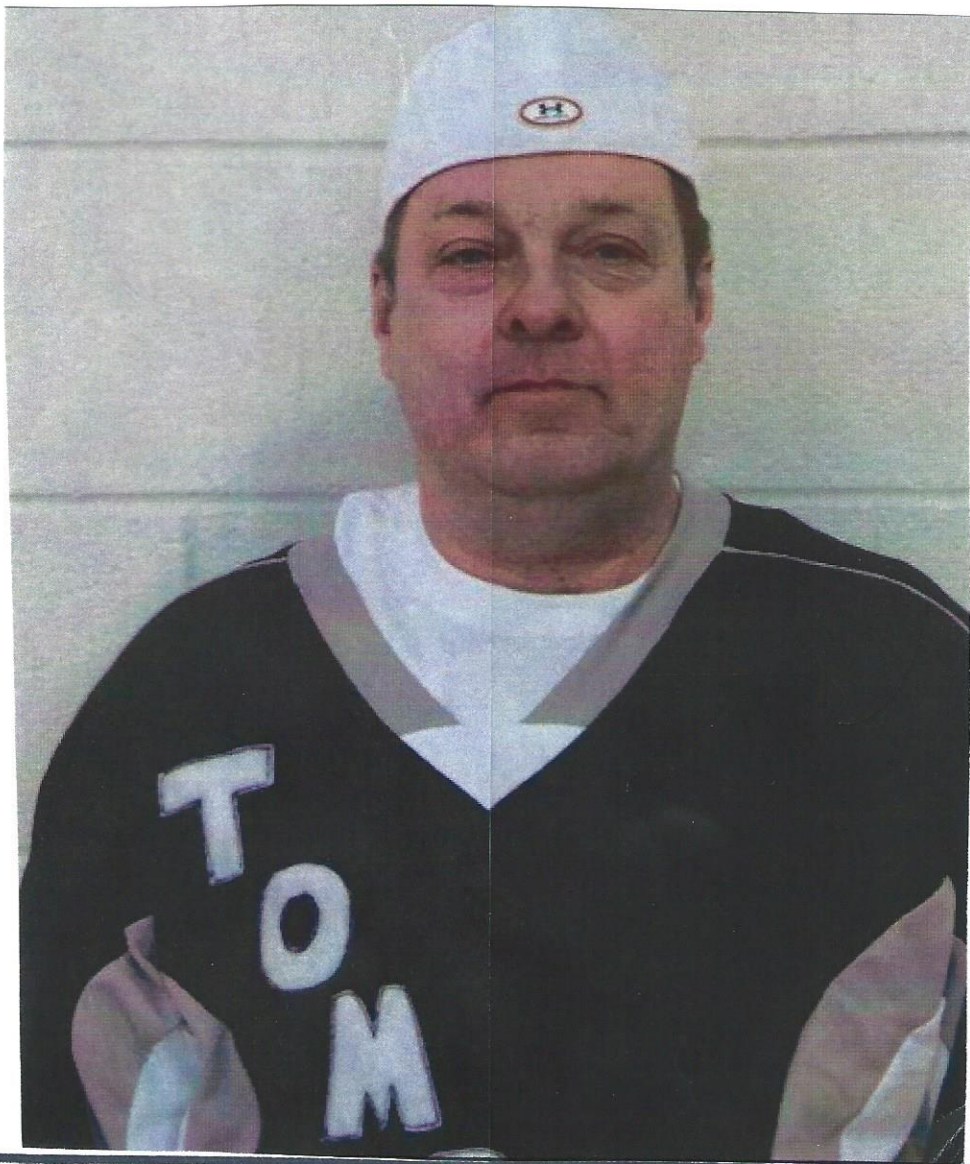

Welcome back Nikki.

"I recall the glory days with the Belle River Buckos and the great nights at the Kapusta Kow, I recall the early days when we had three players on each side and the Turk just wore a baseball glove and volley ball knee pads. You got to remember I have been her for a while, I gave the Turk his nick name, and I named Rocky, Junior, and Hurricane and I played when a goalie by the name of 'the Smooth' told us his nick name was 'the Smooth and that he was a good goalie.....ummmm well, he wasn't"

## Sheep Dog Trying to Contribute Any Way He Can

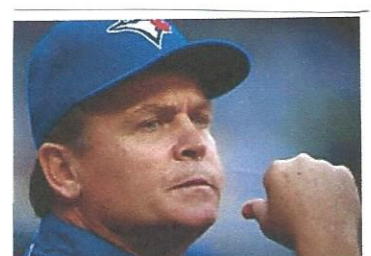

"He just wants people to know who he is", stated the Stomper **Tecumseh Ontario Canada -AP-** When not coaching the Toronto Blue Jays, Jamie "Sheep Dog" Lamb just wants to love and be loved, How many times have we heard, "SHEEP DOG LOVES YOU, SHEEP DOG LOVES YOU". , at the end of a night....It actually is more like Sheepnog wuvs youu, Sheeelog loows youuuu", but we understand. Sheep Dog, took the time to make a sign this year and hope to be able to bring it up on stage this year. "The words speak to me, " a weepy Sheep Dog says, "How will your friends know you love them, if you don't drink". He asks with alligator like tears flowing down his chubby cheeks.

Sheep Dog Says, "I don't know the answer to that, but I know that Sheep Dog Loves you"

Sheep Dog Says, "I don't know why the hell I passed it up the Middle, but I know Sheep Dog Loves you"

Sheep Dog Says, "I don't know why I had another Yuengling, but I know Sheep Dog Loves You"

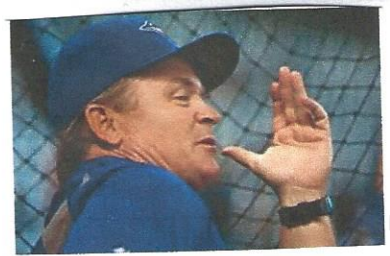

IF YOU DON'T  
DRINK, HOW  
WILL YOUR FRIENDS  
KNOW YOU LOVE  
THEM AT 2AM?

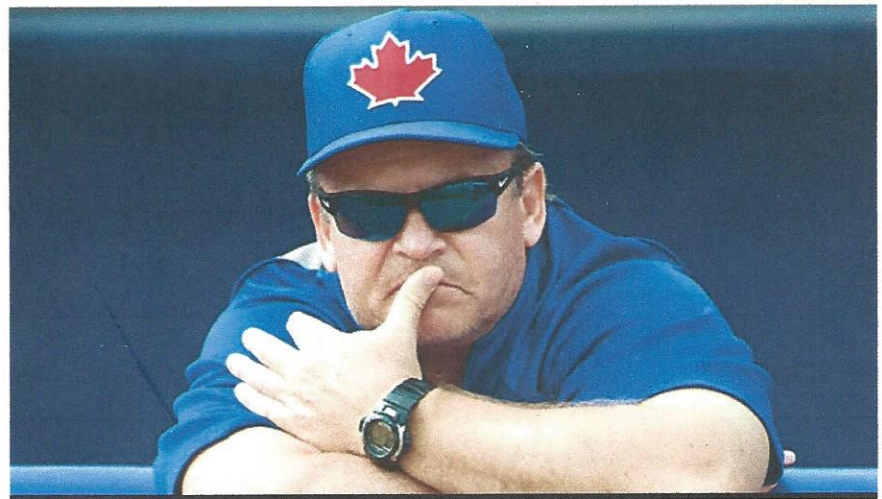

Sheep Dog made a sign this year and hopes that the Tomcats allow him to bring it up on Stage this year, so that he can be more of an influence on the younger players. "I think it is time for me to step up and be a leader on the Tomcats", stated Sheep Dog Lamb, "I know we have a lot of leaders, within the Tomcat organization, but it seems to me the young guys, are always asking me questions, and they want answers...and I am here to provide them" Stated Sheep Dog Lamb

Sheep Dog Loves You!

When Sheep Dog Lamb is not Coaching the Blue Jays, he is sitting quietly by Stevo and Cribzie on stage, waiting to be called upon for guidance and leadership and to talk about smoked meats and the assorted cheeses that he brings on road trips for Cribzie and him to enjoy in their room and by the hot tub.

## Hurricane Hann underwent Surgery August 13

**Tomcat Doctors indicate that he should be good to go in September**

**St. Clair Beach Ontario Canada -AP-** The Tomcat Medical staff released a press release on August 16, stated that David 'Hurricane' Hann had surgery on August 13 and was resting comfortably and is expected to start the season on September 22. The nature of the surgery was not revealed but Head of Tomcat Medical Staff, Dr. Ruth MacDonnel indicated, "Mr. Hann is resting comfortably and his trusty companion (his dog not Chevy) is by his side".

Hurricane Hann has been a main stay of the Tomcats for the past 28 years, first as a Windsor Thunderbird then a Windsor Tomcat. He also played Volley Ball on a team lead by Patti Kerr.

"I know he will be up and talking stock market stuff with Chevy in no time. Get Well, Get Well Soon, we hope you get well soon".

Lovie Edgar

"As his Doctor, I say, have the official beer of the Tomcats, have and MGD and feel better right away. See you in training camp Hurricane".

# Koenigsbergers Season Start Could Be Delayed

**Windsor -AP-** Fan and player favourite, Louis 'the Rake' Koenigsberger's start for this year may be delayed by several weeks....Tomcat medical staff are being closed lip about the injuries and are only saying that the studly defenseman is progressing well. "He has been on a tremendous work out program to get his shoulder and knee stronger and has shown great improvement, but we are not sure if he will be able to start the season on the Blue line for the Tomcats", indicated Head of medical staff, Dr, Ruth MacDonell.

Koenigsberger, if you will recall, did not finish out the season last year, due to nagging injuries. In the mean time, Koengsberger, continues to coach the Argos under the name Scott Mianovich.

Here, Koengsberger calls a play from the sideline, with the Argoes as he does with the Tomcats, on any given Tuesday. "My expertise, is not only in Drywall, but in Football, Hockey, Culinary Arts, Fellatio ahh, I mean cunnalingus and Fashion" Koenigsberger had stated.

The Best 38 Guys in the entire World, you won't find better anywhere, they are the Windsor Tomcats and the 2015-16 Season is about to begin !
