

Paul Poisson (aka Junior) Leaves Tomcats Both Tomcats and Poisson Silent On the Events

Windsor- AP- Hard to know exactly why Paul Poisson left the Tomcats under terms some would call obfuscation, but if you go to Tomcat web site under 'comments' Junior wrote the following: "**Just submitting my retirement papers. It's been a joy leading you and playing with all of you. Tuesdays have been a big part of my life, just as a lot of the Tomcat brotherhood has. Keep it strong, be strong. An amazing organization to be a part of. Tomcats forever!**"

Tomcats Spokesperson L. Koenigsberger indicated that both parties did not leave under 'desirable terms' but the Tomcats have paid all the money they owed Mr. Poisson and indicated to him that at no time did they intent for him to retire or quit the Tomcats and that he is welcome back at any time, but there are conditions that he and EVERY Tomcat must adhere to" State Koenigsberger.

"You hate to see a one time, main stay like that leave, but he is a grown man and can make decisions on his own, I hope this is just a temporary thing and that he comes back soon".

Lovie Edgar

"Junior left and that is his decision but I hope he comes back, I think he is a fantastic guy and I know all the guys love him. You never want to see some one leave in a huff and not come back. I hope he mulls things over and returns"
