

Bearcat to Hang His Blocker and Trapper Up Injuries sited as main reason for the retirement

Windsor -ap- While holding back tears, Dean 'Bearcat' Meloche announced his retirement from Hockey and the Windsor Tomcats on Monday November 30, 2015. With his brother Bulldog Meloche at his side, Bearcat Meloche thanked the Tomcats for letting him play within the organization and "Some of the best guys you ever want to meet and be friends with were right here on the Kapusta Kow Floor Stage, I will remember Tuesday nights for as long as live".

"I am so glad that he came out and played Tuesday night, it always gave me a chance to see my brother. I always wished him well on Tuesday nights and come Tournament time, except of course when I played against him." Bulldog stated with a chuckle.

"If they were really really stuck for the tournament, I could maybe do one more tournament, but the knees are not what they use to be and I think its best I hang them up on a high note" Bearcat indicated.

Steven Jaworiwsky recalls how Bearcat became a Tomcat. "Bulldog had told me that he had a brother that played goal. I had called Bulldog's

house one day and Bearcat answered as he was baby sitting Bulldog's kids and we engaged in a conversation, I did not know Bearcat at the time and I had never met him, it took some persuading but eventually Bearcat came out and ended up staying, he was a great addition

to the Tomcat fold".
