On May 25, 2020, the Gordon's Gin Golf League played at Sutton Creek. May Day, Cribzee, Hatchy, La Bamba, the Sea Lion, Chevy and Hurricane were on hand to kick off the 2020 golf season.

Due to the Covid situation, social distancing rules were in effect. Players sanitized their hands and then their balls prior to the start of play.

Stevo, who operates a pool company with Hollywood got stuck at a call and could not make the 2:00 pm tee time. " It was crazy. First, we got a bit of a late start on the first pool. Then we had a hot tub call. And get this, I knew we had to drive to Toronto to open Drake's pool but we were back by noon. We had one more pool to do. Should have been an easy job. The customer told Hollywood that the pool had an elephant cover on it and I should have made it in time for golf. But when we got there, yes, there was an elephant cover. But on top of the elephant cover was the freaking elephant. By the time Hollywood went to the Bulk Barn to get 50 pounds of peanuts to coax the elephant off the cover, it was too late to golf", said an exasperated Stevo. " That's the pool business", added Hollywood.

Stevo is all set to play next Monday.

At the time of writing this article, it is unknown if the Sea Lion had any memorable quotes. Watch for actual audio of the Sea Lion in coming weeks in this blog.

Scores were Cribzee, 67, Chevy 69, Hurricane, 135 (playing from the tips), Sea Lion 70, La Bamba 71, Hatchy, 72, May Day, 79.

Remember to text May Day by Thursday at 9:00 am if you want in for next Monday.
